The Melrose Park Commission and Mass. Golf Management, LLC require all parents and guardians to check course availability prior to dropping off junior members. Mount Hood Golf Course and Memorial Park is an excellent resource for our City's youth however Mass. Golf Management, LLC is not responsible for the supervision of junior members, players or minors while using the park unless they are enrolled in a clinic or other organized activity. The Melrose Park Commission wants to continue the tradition of Mount Hood being a "junior friendly" facility without jeopardizing the safety of our City's youth. Your cooperation is appreciated.

Alcoholic Beverages

Alcoholic beverages are only permitted in designated areas of the clubhouse and patio. Alcoholic beverages are NOT permitted on the golf course, in the park or in the parking areas. Violation of this policy may lead to revocation of membership and/or expulsion from the course.

Rangers and staff will follow this procedure when encountering infractions on the property:

1. Individuals found drinking or in possession of alcoholic beverages will be politely reminded of the alcoholic beverage policy. The individual's identity will be noted and a written warning will be issued.
2. The second time an individual is encountered violating this policy, whether it is the same day or on a later day, the individual will be given a copy of this policy, issued a written warning and be asked to sign a duplicate copy. The individual will be informed that on the next infraction, he or she will be required to leave the course immediately.
3. The third time an individual is encountered violating this policy, whether it is the same day or on a later day, he or she will be required to leave the course immediately. Police will be called if necessary. Anyone required to leave the course for this reason will not be allowed back in the future.

Pace of Play and Etiquette

In order to make your golfing experience more enjoyable, please add the following habits to your repertoire:

- Be on time for your starting time.
- Watch your fellow golfer's strokes and help look for errant golf balls.
- Be quiet while another player makes a stroke; study your putt while others are putting.
- Always keep pace with the group in front of you and limit your search for lost golf balls to five minutes.
- The player who is ready should hit when the group ahead is clear.
- Carry an extra golf ball in your pocket.
- If sharing a cart, drop your partner at his ball then continue to yours.
- Always replace divots, rake bunkers, and repair ball marks.
